

Posting Date: Spring 2012
Position: Assistant at May Family Farm
Department: May Family Farm
Reports to: Amy & Mark May
Job Type: 1 Student Interns
Rate: \$12/hr
Spring 2012: Up to 15 hours per week (*Duties may vary – applicant will be interviewed by Marc or Amy May*)

SUMMARY

Student will assist in all aspects of organic vegetable production with an emphasis on sustainable agriculture.

Primary Assignment for Students:

May Family Farm is a diverse organic vegetable farm operating off the grid with renewable solar power, and a variety of fruit and vegetables are grown and irrigated on a drip and gravity feed furrow irrigation. The student interning at May Family Farm will learn all aspects of sustainable vegetable production.

The student intern will receive detailed instructions and direction on all tasks associated with the job. Instructions and direction will be repeated as necessary and the intern will be expected to follow direction and learn the tasks.

During the spring of 2012 interns will complete the following: Watering, weeding, planting, harvesting, and processing the vegetables.

HOW/WHERE TO APPLY:

Go online to www.armasineducation.com or pick up application package at ARMAS (Engineering Bldg #106) with Mabel Suárez or with Monique Esquibel.
